

# BYOD WIFI & ONE Login

**Students** who bring in a **personal device** to **access wireless** can now access the District's **BUSD-BYOD** network for internet use. This network is specifically designed for accessing the internet from non-district owned devices.

and

Bonita USD students can also now use **one login** username and password into multiple technology systems.

## How

1. (Wifi) Find the BUSD-BYOD Wifi Network
2. (Wifi & Computer) Log in using Google email and 8-digit birthdate
  - o Username: <FirstName><Last Initial><last 4 numbers of your Student ID>@busd.school
  - o Password: 8 digit birthdate

### Sample Log in for Wifi / ChromeBook/ Computer

**Username:** AaronW1234@busd.school  
**Password:** 08181999 (birthdate)

## New WiFi for Students

Students **SHOULD** use **BUSD-BYOD** WiFi network

**One Login – Same** username/password for WiFi, Google, District Computers
