

PARENT INFORMATION MEETING MATH INSTRUCTION IN BONITA USD

Date has been changed. Each school site will be hosting the Parent Information Night. Please check with a school site for dates and times.

- *What are your children being asked to do in school?*
- *Understanding the why of what students are learning.*
- *What should homework look like?*
- *How will your child's learning be measured?*
- *What is the BUSD math course sequence?*

WHEN

Contact each school site for dates and times

INFORMATION

Information will be shared about:

- Students learning at deeper levels of understanding
- Expectations for homework

QUESTIONS

Parents will have an opportunity to ask questions for better understanding and clarification about instruction in Bonita USD

SAMPLES

Parents will have an opportunity to see sample questions that students may be asked
