

No-Cost or Low-Cost Health Insurance

Your child can receive medical, dental, vision and hospital care through programs such as:

**HEALTHY FAMILIES
MEDI-CAL
HEALTHY KIDS &
KAISER PERMANENTE
CHILD HEALTH PLAN
(When available)**

G.E.M. (Get Enrollment Moving) can help you determine which program is right for your child and enroll him/her. There is health insurance available:

- If the child is a California resident, regardless of his/her immigration status. (Parents immigration status will not affect eligibility.)
- Even if you've been denied in the past due to higher income. (Example a family of four can now earn up to \$4,594 per month and still qualify for low-cost health insurance.)
- If you own a home. You will not have to pay back benefits when you sell your home.
- If you are pregnant we can help! Parents often qualify for programs also.

G.E.M. is a project of Citrus Valley Health Partners, and is funded by; Los Angeles County Dept. of Health Services, First 5 L.A., LA Care, and The California Endowment.. G.E.M. is approved by LACOE to provide outreach and enrollment assistance for health coverage programs through school districts.
