What is Group Term Life Insurance?

Group Term Life Insurance is offered through your employer and pays a benefit to your beneficiary if you pass away during a specific period of time (known as a “term”). The term of this coverage is generally one year, renewing on an annual basis with your other employer-offered benefits. Your employer offers Basic Life Insurance and Accidental Death and Dismemberment Insurance, which is the amount they provide at no cost to you. You also have the option to elect additional coverage called Supplemental Life Insurance.

What is Accidental Death and Dismemberment (AD&D) Insurance?

AD&D Insurance pays a benefit to you or your beneficiary, separate from the life insurance benefit, if you are severely injured or die as the result of a covered accident. This coverage is part of the Group Term Life Insurance offered through your employer.

How can life insurance help?

Below are a few examples of how your life insurance benefit could be used (coverage amounts may vary):
