March 26, 2017

Dear Parents and School Age Care Families,

Thank you for giving School Age Care the opportunity to care for your children. For the past 20 years, School Age Care has been honored to bring our families exemplary daycare services. As you know, our commitment is to offer the finest service by providing a high-quality School Age Care program committed to you and your family.

Over the past six years, the School Age Care program has absorbed numerous increases in operating costs which include continual efforts to improve facilities, to accommodate our ever-growing programs across the District, and an uncompromising assurance to our families that we will consistently offer outstanding care.

We have worked diligently to avoid a tuition increase for the past seven years. Considering the operating increases listed above, School Age Care has determined the necessity for a tuition increase of 6%. Therefore, this tuition increase will be effective June 12, 2017. The 6% increase for the school year will be between \$3.00-\$5.00 per week depending on the program you choose. Fees for Thanksgiving, Winter and Spring Camps will increase by \$1.00 per day and Summer Camp will increase by \$7.00 per week. The registration fees will remain unchanged. Attached on the back side of this letter is the new School Age Care fee schedule.

We know that sending your children to School Age Care is a significant cost to your family. We struggle with the ongoing challenge of balancing a quality program with increasing costs. Everyone at School Age Care thanks you once again for choosing us to care for your children.

Sincerely,

Nancy Sifter
