

Bonita Unified

SCHOOL DISTRICT

NEWS RELEASE

UPDATE – SEPTEMBER 2018

At Bonita Unified School District, our purpose is to prepare every student to live their purpose. We will achieve this through equity, mastery and focus on results.

Over the summer, Bonita Unified teachers, staff and administrators pursued new learning opportunities that will help us achieve our vision to lead all comprehensive districts in the region in academics, activities, athletics and the arts.

The 2018-19 school year is off to a fantastic start, with Bonita Unified's talented team of educators and staff ensuring every student is given the opportunity to succeed. I am certain that their efforts will continue to cultivate a culture of excellence on each school campus.

I am excited to announce that Bonita and San Dimas high schools are eagerly preparing for the 46th annual Smudge Pot game, to be held at 7 p.m. Saturday, Sept. 8 at the Covina District field. I encourage Bonita Unified families and community members to come and support our students in this friendly rivalry – an intense showdown to claim a historical icon.

I look forward to continuing this educational journey with all of the Bonita Unified family; together, we can achieve our vision.

Respectfully,

Carl J. Coles
Superintendent
