The following options are available to acquire your student's bus pass, using our on-line MySchoolBucks.com system or in person at the Bus Pass Office.

If you are new to the Bonita Unified School District you will be required to register your student in person at our Bus Pass Office so that we can take a picture for their bus pass. A copy of the bus transportation safety rules, brochure with frequently asked questions and responses, and a diagram of the school bus loading and unloading danger zones will also be distributed to students with their bus passes. Both parents and students should familiarize themselves with this literature in an effort to stay informed and to ensure a safe ride. Bus passes will also be available for pick up in the Transportation Department. Please feel free to call 909-971-8200, extension 5261, for additional information regarding purchases by mail.
