

If you would like to be notified every time we apply a pesticide, please complete and return the form to your school site.

## **Request for Individual Pesticide Application Notification**

I understand that, upon request, the school district is required to supply information about individual pesticide applications at least 72 hours before application. I would like to be notified before each pesticide application at this school. Exempt pesticide applications do not require individual notifications. If a chemical application must be made to control an emergency pest problem, notice will be provided as soon as possible after the application

Please return to the school office.
